

โรงเรียนมัธยมมีชัยพัฒนา

Mechai Bamboo School

Rangsit Science Center

On 27 August 2011, the Mechai Bamboo School took the Grade 7 students on an eye-opener trip to the Rangsit Science Center to learn about Astrology.

Teacher Training

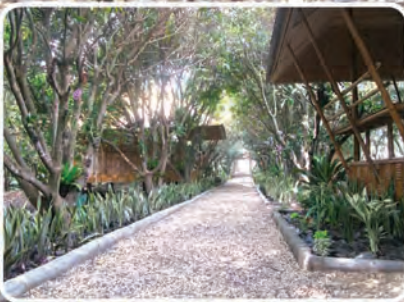

In August, the Mechai Bamboo School held a teacher training function that was supported by the Stock Exchange of Thailand, who are strong supporters of education for Thailand's rural youth.

Resort MPS

Resort MPS

The Mechai Bamboo School has constructed a resort for visiting guests to stay. It is equipped with many facilities including a television, air conditioning, hot water, and a great atmosphere. All proceeds will go to the school.

Sex Education Training

From 15 – 17 September 2011, the teachers from the Mechai Bamboo School went on a sex education training course in order to learn about AIDS, teenage pregnancy, and sexually transmitted diseases.
